

Option Agreement

This agreement is between _____ of _____ Bogota, Colombia (the "Funder") and Lloyd Goff of 2238 S Iola St Aurora, CO. 80015 USA ("Goff") The parties will be negotiating a new startup venture to be called SmartSkyways LLC. Both parties prefer an exclusive period to negotiate a rather complex document. Some of the \$50,000 will be deposited in a Ripple RXP account either as a new LLC or in Lloyd Goff's existing Ripple account at Bitstamp # xgzi0101. Over the following 2 to 3 weeks Goff will provide a study on how Smartskyways LLC can use 10% of the \$25,300,000 investment capital as a reserve fund for the project and invest in Ripple Coin for a period of 3 years max. This Option Agreement will give _____ the exclusive right for 60 days to complete the LLC Operating Agreement and close with the following provisions: The 60-day period will commence upon the execution of this agreement.

1. In order to start up SmartSkyways a minimum of \$1,300,000 is required
2. The \$50,000 Option payment will be credited to the above amount
3. The full agreement will require \$25,300,000 which can be paid in installments
4. _____ is familiar with a draft of the 45 page LLC Operating Agt. and sees the need for time to get it right. This LLC agreement already set to paper, is for the purpose of building a demonstration of the technology as shown in the business plan.
5. The expansion capital for route sales has not been set to paper yet and will be the main focus of the 60-day negotiation period. The cost is expected to vary from \$50 Million to \$200 Mil. It will require either dilution or a spin off company.
6. These \$50,000 funds will be used as working capital to get the company up and running

The \$50,000 is to be made out to SmartSkyways LLC and transferred as Ripple RXP into a new investment account set up by _____ at _____ or equivalent.
